Monotype & Monoprintmaking

1-3 tubes of *water based* ink in the color of your choice.

You can find options here: <http://www.dickblick.com/products/speedball-fabric-and-paper-block-printing-ink/#40326-1069>

Baren: <http://www.dickblick.com/products/yasutomo-bamboo-baren/> OR large wooden or metal spoon

Paper - printmaking papers/surfaces to print on

(Any heavy weight paper will work, but there are printmaking tablets available as well): <http://www.dickblick.com/products/strathmore-400-series-printmaking-paper/>

Easy-cut blocks (at least 6, 4x6 or larger. They can be trimmed.): <http://www.dickblick.com/products/soft-kut-printing-blocks/>

Exacto knife

Palette knife - for mixing inks

Roll of wax paper to use as a palette

Optional supplies for those interested in printing at home/outside of class hours:

Brayer (really any kind works, and we will have plenty for students to use during class): <http://www.dickblick.com/products/speedball-hard-rubber-brayers/> or <http://www.dickblick.com/products/speedball-soft-rubber-brayers/>

Linoleum Carving tool: <http://www.dickblick.com/products/speedball-linoleum-cutters/>

Your local art store may have these supplies as well!
