

### **Gallery Shop Guidelines:**

In an effort to maintain a wide variety of artistic items, and an opportunity for all of our members, careful curation and consideration will be assessed on a monthly basis.

- Due to lack of inventory space, Saratoga Arts will not store any backstock of products.
- The shop inventory will be assessed monthly to keep the shop rotating and allowing more representation opportunities. Artists will be contacted regarding when to pick up their products.
- Once an artist has completed their shop tenure, they will have to reapply for another opportunity to be back in the shop.
- Saratoga Arts will collect 40% commission on all items sold in the Gallery Shop.
- We are unable to store inventory, and products left at Saratoga Arts two weeks after their pick-up date will be considered property of Saratoga Arts, with no compensation to the artist.

320 Broadway is a juried exhibition space for fine art and photography. Therefore, our Gallery Shop will no longer sell paintings, drawings, prints, or photography. Online opportunities are available.
