Funding for individual artists to create new work and share their creative process with their community. Artists of all disciplines and genres who reside in Fulton, Montgomery or Saratoga counties are eligible and encouraged to apply.

APPLICATION DEADLINE: NOVEMBER 19, 2021
History & Overview

Founded in 1977, the Statewide Community Regrant program (SCR, formerly known as the Decentralization program) was developed to ensure that New York State’s cultural funding reached every part of the state through 40 regrant sites, serving all 62 counties. The program is administered by the New York State Council on the Arts (NYSCA).

The mission of Saratoga Arts is to enrich the region by cultivating a vibrant arts community and by ensuring that the arts are accessible to all. Our programs include a full year’s calendar of exhibitions; classes and workshops for over 1,200 adults and children each year; a broad range of live music presentations; and grant programs delivered at our centrally located Saratoga Springs location and across our service area.

In 1993, NYSCA appointed Saratoga Arts to administer the regrant program for Saratoga County and in 2011, added Fulton and Montgomery Counties to Saratoga Arts’ service area.

Individual Artists Grants are a funding category within the regrant program and provide awards of $1,000 - $2,500 to directly support individual artists. The Artist Grant focuses on an individual artist's work, with the goal of enhancing artistic career development, technical skills, and broadening exposure, while fostering creative, resourceful and inspiring connections between artists and a community.

Funding priority is given to the arts-related aspect for the proposed project:
- Artist fees
- Art-related supplies and materials needed for the execution of the program
- Marketing/publicity and other outreach costs (postcards, fliers, online marketing, etc.)

Over the years, Saratoga Arts has awarded over $160,000 to individual artists as part of our larger Community Arts Grants which has awarded nearly 1.5 million dollars to hundreds of arts projects.

2022 Priorities and Criteria

Grant applications for the 2022 grant cycle will be evaluated on the basis of the following funding priorities and criteria:

Priorities
- An essential element of this funding is a community engagement component. The project must engage a segment of the community through a public program, such as an exhibition or performance that is open to the public, and/or the inclusion of community involvement in the development and creative process of the artists’ project.

Criteria
Grant applications are evaluated on the basis of:
- Artistic merit of the applying artist’s work and the proposed project (based on the artist’s resume and artistic support materials)
- Engagement and type of interaction of the community in the artist’s work (creativity and resourcefulness of the planned interaction will be considered)
- Benefit to the applicant artist; career development or growth expected from the proposed project
- Feasibility of the proposed project
Responsibilities of Grant Recipients

- Sign a Cultural Services Agreement (contract) stating the terms of the funded project.
- Attend the Annual Grants Awards Reception to receive a grant award check.
- Keep the Grants Coordinator informed regarding project progress, any changes in the project as proposed in the original application must be pre-approved by the Grants Coordinator or difficulties in fulfilling obligations of the agreement must be reported to the Grants Coordinator immediately.
- Make the public aware of your project, following through on your approved marketing strategy.
- Credit Saratoga Arts for receipt of funds on all publicity and printed and e-media materials and websites associated with the funded project. The following credit language and an approved Saratoga Arts logo is required (Failure to credit will affect future funding eligibility):

  Saratoga Arts made this program possible with an Artist Grant funded by the New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York State Legislature.

- Provide timely notification of your program to the Grants Coordinator for outreach purposes. Once funded, the Grants Coordinator will provide you with a Program Schedule Form and due date which you will complete and return.
- If a project is to be presented live, ensure that events/venues associated with the project are fully accessible to all abilities.
- If a project is to be presented as a virtual event, ensure that links are accessible, and that content is shareable.
- Provide 2 complimentary tickets to any funded event for the purpose of conducting NYSCA-required audits.
- Submit a Final Report with required attachments within 30 days of completion of the funded project. An applicant that fails to provide required reporting paperwork can not apply again until that paperwork has been properly submitted and approved. Once the requirements are met, an organization/individual can apply in the next available funding cycle.

Saratoga Arts takes its stewardship of public funds seriously and expects funded artists to do the same. Violating contract terms may require a return of funds and will affect subsequent requests for support.
Appeals

Applicants who are denied funding, entirely or less than the amount for which they applied, are provided with an Appeals Process to ensure the integrity of the program. Dissatisfaction with the amount of an award or a situation of no funding is not justification for an appeal. Introduction of information not provided to the Review Panel or Saratoga Arts staff by the applicant prior to the Panel's decision cannot be used to justify an appeal.

Grounds for appeal:
- Non-presentation of material information. Information known to Saratoga Arts Staff or Panelists prior to the Panel's decision which was not presented and which might have altered the decision.
- Misrepresentation of material information. Information known to Saratoga Arts Staff or Panelists prior to the Panel's decision, which was distorted in its presentation and which, if presented differently, might have altered the decision.
- Improper procedure. Contention by the applicant that:
  - the review of the funding request by the panel was biased;
  - The decision by the panel was arbitrary or capricious.

An applicant considering an appeal must call or email the Grants Coordinator at Saratoga Arts upon receipt of their grant rejection notification to learn why the decision was made.

If, after an initial consultation with the Grants Coordinator, the applicant wishes to pursue the appeal, a letter citing the specific grounds for the appeal must be received by the Saratoga Arts Grants Coordinator or Executive Director within five days of receipt of the denial letter. Failure to meet this deadline will result in the loss of the right to appeal.

Upon receipt of a letter of appeal, the Grants Coordinator will convene the Appeals Panel. The Appeals Panel examines only the grounds of the appeal and not the quality of the project or proposal. If the appeal is upheld, all materials will be returned to the Review Panel for reconsideration. The sole function of the Appeals Panel will be to ensure the appellant has been given full and fair consideration by the process. The Appeals Panel will not be empowered to override the judgment of the Review Panel concerning the quality of a particular application or project.

If the Appeal is upheld, the Review Panel will meet to review the appellant's request in light of the determination by the Appeals Panel. The subsequent determination by the Review Panel shall be submitted to the Saratoga Arts Board of Directors for approval. The decision of the Saratoga Arts Board will be final and binding.
