

SARATOGA ARTS' ART IN PUBLIC PLACES PROGRAM GENERAL INFORMATION

About Saratoga Arts' Art in Public Places Program

The Art in Public Places Program features monthly or bi-monthly exhibits of artists' work in various locations around the region. The goal of the program is to present original artwork in easily accessible spaces throughout the Saratoga Region. Participation in the APP program is a benefit open to all members of Saratoga Arts from new and emerging artists who might be presenting their first exhibition to veteran artists with lots of experience presenting exhibitions - this program is for everybody!

Basic Guidelines

- Art in Public Places is available for Saratoga Arts Members only.
- Artists are limited to **one** Art in Public Places exhibit annually.
- All artwork exhibited must be appropriate for all audiences. All venues have requested no nudes. Artwork that does not comply with this guideline will be removed from the exhibit.
- Saratoga Arts provides a typeset exhibition and price list, with corresponding number labels. All artists must use these exhibition sheets, and not personally made lists. This is to ensure uniformity among all sites. Lists and labels will be available for pick-up the week prior to your exhibition at Saratoga Arts.
- Artists may not provide any additional labels, flyers, postcards, etc. without Saratoga Arts approval.
- All sales are processed through Saratoga Arts, who retains a 30% commission on works exhibited at Saratoga Arts and a 25% commission on works exhibited at off-site venues.
- All artwork must be for sale.
- No prints may be exhibited unless they are clearly signed and numbered, and in limited editions of no more than 25. All prints must be archival.
- All work must be framed and ready to hang.
- Artists must provide an artist statement, list of works (including titles, medium, and price), and an exhibition title (if desired) to the Exhibitions Director by the date specified on their contract.
